#### Class Fee Worksheet Per Student:

##### Definitions:

**Returning family discount**—for anyone in a family which in history has ever had a student who took a year-long Shuman class, subtract \$5 per month per class from each sibling's tally.

**Sibling discount**—if a student has one or more siblings enrolled in a Shuman class in the same school year, subtract \$5 per month per class per sibling.

**Multiple class discount**—if a family has a single student in more than one Shuman class, subtract \$5 per month per class.
