

June 14 Panel Discussion: What's after homeschooling?

Transferring, graduating, moving on- a panel discussion led by students

7:00-9:00, THURSDAY, JUNE 14

Lilburn Alliance Church fellowship hall, www.lachomeschool.com

Free, and open to anyone.

Homeschool transfers and graduates will discuss what worked for their moving into public or private school, and what to expect after our homeschooled students graduate and head into life and college. Bring your own students age 12 and up and ask questions of our student panel!

Future Thursday Night Discussions:

July 19	Record keeping, testing, and accreditation (or not): nuts and bolts of homeschool management
Aug 16	LAC Parent-Teacher meeting—a great time to ask questions and make final registration plans for classes that still have room.
Sept 13	Building a schooling community: Involving fathers in homeschooling, surviving as a single homeschooling parent, strategies for large families, “only child” challenges, homeschooling with two parents working outside the home, how we can work together as community
