

June 3 Panel Discussion: What's after homeschooling?

Transferring, graduating, moving on-- a panel discussion led by STUDENTS

7:00-9:00p, Tues, June 3

Lilburn Alliance Church Fellowship Hall

www.lachomeschool.com

Free, and open to anyone.

Formerly homeschooled high school transfers and college students/grads will answer questions and share stories. Bring your own students age 12 and up and ask questions. Hear the panel's own views on how to plan ahead now in the school years, and ask them about life in college, public high school, study abroad, the mission field, and the workplace. We usually have students confirmed for the panel that have experience in attending more than a dozen colleges, as well as participating in a variety of gap year, transfer, and employment scenarios! Closer to the date, you can check to see what colleges will be represented. It's our most popular panel--please join us!
